## A117. OBSOLETE SERVICE OFFERINGS - MOBILE TELEPHONE SERVICE

### A117.1 Regulations

(Obsoleted 04-08-91, Type B) Effective April 8, 1991, Mobile Telephone Service is restricted to existing customers. No new service can be ordered or transferred after the Public Service Commissions' approval date of April 8, 1991.

On 06-02-92, the type of obsolescence will change from Type B to Type D. On that date all existing service will be discontinued except in locations where public mobile radio service is not available from another carrier.

#### A117.1.1 Definition

**A. Mobile Telephone Service**

Mobile Telephone Service is a communication service through a land radiotelephone base station between;

1. a wire telephone and a mobile unit
2. two mobile units or
3. a wire telephone or a mobile unit, and another station which is authorized by the Federal Communications Commission to communicate with the Mobile Telephone Service base station, or between two such other stations.

**B. In the application of regulations and rates, stations other than mobile units which are authorized by the Federal Communications Commission to communicate with a Mobile Telephone Service base station are considered as mobile units.**

**C. Base Station Of Registry**

The base station from which a mobile unit receives its mobile telephone number.

**D. Foreign Base Station**

Any base station other than the Base Station of Registry.

**E. Transient Mobile Unit**

A mobile unit communicating through a Foreign Base Station.

#### A117.1.2 Availability Of Service

Mobile Telephone Service is available to mobile units equipped for this service when within range of a base station through which such service is furnished, subject to transmission, atmospheric and like limitation, provided however, that the Company reserves the right to refuse to connect calls to or from any Transient Mobile Unit which regularly places more calls through one particular Foreign Base Station than through its Base Station of Registry.

On and after January 1, 1968, new application for Mobile Telephone Service on vessels will not be accepted for service through the Louisville, Owensboro and Paducah land radiotelephone base stations.

#### A117.1.3 Reserved For Future Use

#### A117.1.4 Reserved For Future Use

#### A117.1.5 Reserved For Future Use

#### A117.1.6 Denial And Restoration Of Service

In addition to the provisions in Section A2. (Cancellation of Service for Cause), the Company reserves the right to deny service to any mobile unit which regularly places more calls through one particular Foreign Base Station than its Base Station of Registry. Service will be restored upon the payment of all charges due plus a restoration charge specified in Section A4. (T)
